

A spiral-bound notebook with a light beige, textured cover. The spiral binding is on the left side, and the notebook is set against a solid blue background.

WELCOME!

Back to School Night
An Overview of Fifth Grade

Meet the 5th Grade Team

- Mrs. Swartout
- Mrs. Reilly-Evans

SPECIAL EVENTS

Grandparents' Day
October 23rd

J.A. BizTown
May 29th

Curriculum related field
trips

COMMUNICATION

- Email - preferred
- Friday folders - includes the Sneak A Peek at the Week
- Website - homework is posted daily
- Parent portal
- I Can statements are posted on website
- Student planners
- Conferences - Homeroom only!
- Report cards
- Late Homework Notice

HOMework

- Work not completed in class
- Long-term projects
- Vacation policy

The amount of time spent on homework could vary due to many factors, such as: time allotted in class, student's use of time, student's ability level, student's organizational skills/time management.

We're on the move!

- Science –
Mrs. Swartout
- Social Studies –
Mrs. Reilly-Evans

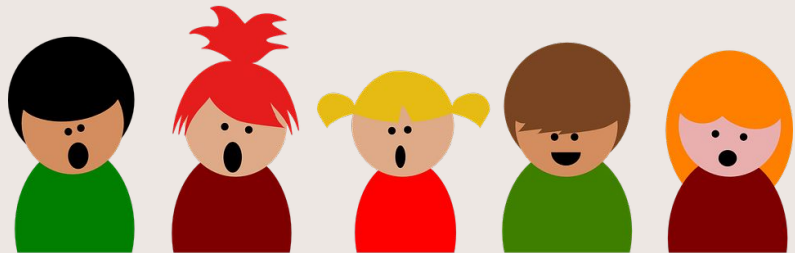

Responsive Classroom

Morning Meeting

- Greeting
- Message
- Sharing
- Group Activity

Energizers

Closing Circle

MATH

- When students enter fifth grade they should have already memorized the basic facts. Please review at home if necessary.
- There will be periodic computation checks to monitor students' progress in this area.

Reading

Literature - 3 components

- Independent reading
- Novels
- Literature book/skills

Science-Project Lead the Way

- **New STEM curriculum**
- This module introduces students to computer systems infrastructure including basic computer hardware and digital data representation. Students start by comparing the computer system to a human brain, focusing on input, processing, and output. Students move on to learning about how data is stored in a computer.

Google Computer Usage

*Students have their own google account

*This should be used for school purposes only

*will be used for writing projects

Year of Transition

In order to help our students transition to middle school, we work on the following skills:

- filling in planners daily
- homework turned in on time
- personal responsibility

We appreciate your support in helping us to help your child be successful.
