Faithful Shepherd's FACTS Tuition Management Program

One of the universal challenges in education is achieving a balance between our educational mission and financial stability. It is precisely for this reason we are enlisting the help of the FACTS Management Company. With FACTS, the school maintains decision-making control. As always, we continue to work with families should special circumstances or "hardship" cases arise during the school year.

1. **Payment Dates:** You may choose either the 1st, 5th, 20th, or the last day of each month as your payment date. Automatic payments can be made from a checking or savings account or from a variety of credit cards, if applicable.
2. **Convenience & Security:** Along with multiple payment plan options, your payments are processed securely through a bank-to-bank transaction.
3. **Peace of Mind Insurance:** FACTS offers this *optional* benefit for only \$20 per year per family. In the event of death of the responsible party or spouse, the remaining tuition balance owed for the current school year is paid to the school by FACTS.
4. **Account Convenience:** You may check your personal FACTS account, make payments online and update personal information from the convenience of your home anytime.
