

### *School Philosophy:*

Believing that each child is a unique and important gift from God, Faithful Shepherd Catholic School is dedicated to the study of:

## Math

Math is an active learning process. Students utilize hands-on activities, logical reasoning and skill practice to become proficient in math. Manipulatives, projects, and units of study that pertain to the skills are helpful for children to visualize the concepts being taught. Students apply these skills to the world around them by solving problems that are relevant to life.
