

Book Bag Report

1. Read a **mystery or fantasy** chapter book. Make sure it is not a book you have read before.
2. Choose at least five objects that you think represent characters or ideas from the book.
3. Write a summary of your story that you can read while you share the 5 items you have gathered (the summary should be about 15-20 sentences long).
4. Then, write what you thought about the story and why. This is called an evaluation of the story.
5. Using a paper bag (provided by your teacher), write the title and author of the book. Decorate the bag with a scene from your book. Place your five objects inside. Be sure to put YOUR name on the bag as well.
6. In class you will retell the story using your summary and the objects as clues to your retelling. Please practice this at home before presenting to the class.
7. Be creative and enjoy your reading!!

**This book report is due on Thursday,
November 18th**

Bag Book Report
