

A Faithful Shepherd Christmas

DVD/Blu-ray Order Form

The Home and School Association will have our Christmas concerts professionally videotaped! Sit back, relax and enjoy the show knowing these concert memories are being professionally recorded for all to cherish!

Because of the limited seating at our well-attended concerts, we ask there be **no videotaping or photography** during the performances so all those in attendance have a good view of the show. Every attempt will be made to include each student at least once in the video.

Please complete the order form below and return to the school office by December 20th. Orders will be delivered in January.

*Please complete the order form below. Checks may be made payable to **Faithful Shepherd**. Please return order form and payment to the school office. Orders will be sent home with your student in January.*

Family Name _____ **Student Name** _____

Teacher _____ **Grade** _____
